**Events and Announcements**

The last **Second Harvest Food Distribution** was an outstanding success. Over 200 families were served with free food at a time when it is really needed. Thank you to all of you who showed up to help. The next truck is coming THIS TUESDAY, August 18, and we expect the need to be just as great. Please try to help out if you can. This is our way of showing our friends and neighbors that Jesus wants to meet their needs in a real, practical way.

As you look around the sanctuary, you might notice a **coffee stain** or two. It would be really great if someone would volunteer to clean these spots. A rug shampooer is available if you don't have one of your own, or one can be rented locally.

As the **Opland family** transitions to missions in Alaska, there is one need remaining—to stock the pantry. If you would like to make a donation toward their food supply, please do! Winter is coming!

Please **pray for the peace of our nation**. Pray that the people of this world would understand that we are ALL created in God's image, and we are all one race—the *human* race. Pray that those who are simply criminals and not protestors would be exposed as such, and that the leadership of our nation would recognize the importance of standing up for law and order even in politically difficult times. Pray for the divine protection of our law enforcement and military personnel.

*There is a box on the back table  
for your tithes and offerings  
Give as you are led by the Lord.*
