Events and Announcements

The Inductive Bible Study Class has begun! It takes place on Thursdays at 5:00 pm, and will continue for six to eight weeks. This is a simple, easy to learn method of studying the Bible for yourself, as well as preparing for a small group study or a sermon outline. We've had many requests lately for us to offer something like this, and we haven't done it for 20 years. Don't miss this opportunity! **It's not too late to join, and the first session is on video on the church's website.**

It's "Back to School" time. This is very challenging for our young people. The atmosphere in public schools is toxic toward those who claim to have any degree of biblical faith, and it comes both from school administrators and other students. **Please join us in praying for the children of our community, whether they attend our church or not.**

There are a lot of new faces lately. **If you feel like this has become your home church,** we would love to be able to do a great job of keeping you informed about the life of our body. We have an email chain that sends out regular prayer requests, updates, event reminders... all the things that go with being part of the family. We encourage you to fill out a "Personal Information Card" that you can find in the seat back picket of the chair in front of you. And WELCOME!

Next week is the final Sunday of the month, and that means it's the day for our monthly time of prayer for healing. *Many* of us need healing, in many different ways. Please allow your church family, your brothers and sisters, the privilege of interceding for you before the throne of grace.

***There is a box on the back table
for your tithes and offerings.***

Give as you are led by the Lord.

~Prayer Requests~

Please pray for...

—Kriss Leadbetter, in cancer treatment and dealing with a lot of pain. Pray for relief. Surgical procedure for her kidney was successful—pray also for good results on the biopsy that was taken.
—Our firefighters, as they are out there risking their lives every day to save people and homes.
—6-week old Malachi, has a spot of abnormal tissue on his lung that may require surgery to remove.
—Tanya Becker, for continued recovery from a recent episode of Stiff Person Syndrome.
—Lisa Bitton, traveling to Seattle for treatment of a tumor on her brain stem. Pray for healing.
—Rod Farrace, recovering from cataract surgery and seeming to have some complications.
—Valerie, for continued healing from back surgery, and for no serious damage from recent fall.
—Susie Bradley, having surgery for cancer in October. First, a very important scan is coming up in September, pray for a miracle that it's clear, which would glorify God and cancel all other treatments.
—Renita's three grandsons, in the military in the Middle East, and under regular missile attack.
—Renee Huyser, still recovering (slowly) from surgery to repair her neck. Pray complete success and full healing. She is still in considerable pain.
—Rick Sauerwein, his chemo was stopped and he is recovering slowly from the effects. Pray for healing, and direction for what comes next.
—Robert Clemens, diagnosed recently with prostate cancer.
—The Opland Mission in Alaska, for safety and health, and for eternal fruit.
