Events and Announcements

Inductive Bible Study Class is progressing right on schedule! We've learned to identify the type of text that we're dealing with, and to outline that text so that it's broken down into manageable size portions. This past Thursday we polished our skill on "charting" the text, which is the key to getting the most out of the Bible that we can. Now we're going to work on writing small group questions! If you've been keeping up using the videos on our website, feel free to join us in person any time.

Men's Bible Study has resumed after a short summer break! The men are currently part way through studying the book of First Corinthians. Come out and join in as they journey through this interesting letter to a troubled church. And remember—**what YOU bring to the study is an important contribution.**

Some of the local Calvary Chapels are partnering with Open Door Ministries in Ukraine. We have an opportunity to hand-decorate Christmas cards for Ukrainian children living in the most awful conditions, cards that contain the gospel in the Ukrainian language. **Please return the cards next Sunday.**

The **Annual Life Choices Fall Fundraiser** is coming up in October. This event fills up quickly every year, so if you'd like to attend and support this valuable ministry, please don't put off making your reservations. Also, pray about what you could donate for the silent auction!

OUR ANNUAL HARVEST PARTY IS COMING SOON!

*There is a box on the back table
for your tithes and offerings.*

Give as you are led by the Lord.

~Prayer Requests~

Please pray for...

—Jamie Sauter's friend Niki, whose daughter passed away this past week, and Jamie herself, still dealing with the loss of her own daughter.

—Emily, whose unborn baby girl has "placenta insufficiency" and is not getting enough nutrients.

—Linda Zido's son Chris, recovering from recent heart surgery.

—Tom Ravensberg, suffered a stroke recently and has very restricted use of his right arm and leg. Pray for miraculous healing and divine comfort.

—Kriss Leadbetter, the cancer has spread to her bladder. Pray for wisdom for the next steps, and that God would bring miraculous healing.

—6-week old Malachi, tests show abnormal tissue extending from his chest cavity into his abdominal cavity, requiring complicated surgery.

—Rick Sauerwein, better but still needs healing. Pray for wisdom for the doctors, for miraculous healing, and direction for what comes next.

—Scott and Valerie's granddaughter Krislyn, who has a mass on her thyroid. Biopsy September 23.

—Susie Bradley, having surgery for cancer in October. First, a very important scan is coming up in September, pray for a miracle that it's clear, which would glorify God and cancel all other treatments.

—Robert Clemens, diagnosed recently with prostate cancer.

—The Walker family in Siberia, that God would bring amazing things from their continued stay that HE has made possible.

—The Opland Mission in Alaska, for safety and health, and for eternal fruit.
