Events and Announcements

Inductive Bible Study Class is progressing right on schedule! This week we're going to work on writing small group questions! If you've been keeping up using the videos on our website, feel free to join us in person any time.

Our next Blood Drive is tomorrow, and there are still 20 empty time slots. Please pray about this simple but valuable opportunity to bless you community and save peoples' lives.

Our 26th Annual Harvest Party is coming up soon! Every year we provide the kids of our community with an alternative to wandering around outside in the cold and dark. We create carnival games to play, with prizes to win, and we give each child a bag of candy when they leave. Our needs for this are two-fold, as always – donations of candy, and people to create and run carnival games. If you can help, please see Pastor Scott and find out how.

The **Annual Life Choices Fall Fundraiser** is coming up in October. This event fills up quickly every year, so if you'd like to attend and support this valuable ministry, please don't put off making your reservations. Also, pray about what you could donate for the silent auction!

**IF YOU DIDN'T BRING BACK YOUR
UKRAINIAN CHRISTMAS CARDS
TODAY, PLEASE RETURN THEM
AS SOON AS YOU CAN.**

*There is a box on the back table
for your tithes and offerings.*

Give as you are led by the Lord.

~Prayer Requests~

Please pray for...

—Tanya Becker, for healing for her eye, and relief from migraines. Pray for divine intervention in her nervous system.

—Emily, whose unborn baby girl has “placenta insufficiency” and is not getting enough nutrients.

—Linda Zido's son Chris, recovering from recent heart surgery.

—Tom Ravensberg, who suffered a stroke recently and has very restricted use of his right arm and leg. Pray for miraculous healing and divine comfort.

—Kriss Leadbetter, feeling better and putting on weight. Pray for wisdom for the next steps, and that God would bring miraculous healing.

—6-week old Malachi, tests show abnormal tissue extending from his chest cavity into his abdominal cavity, requiring complicated surgery.

—Rick Sauerwein, better but still needs healing. Pray for wisdom for the doctors, for miraculous healing, and direction for what comes next.

—Susie Bradley, having surgery for cancer in October. First, a very important scan is coming up in September, pray for a miracle that it's clear, which would glorify God and cancel all other treatments.

—Robert Clemens, diagnosed recently with prostate cancer.

—The Walker family in Siberia, that God would bring amazing things from their continued stay that HE has made possible.

—The Opland Mission in Alaska, for safety and health, and for eternal fruit.
